ALICE Accommodations & Leave Intake Care Expert

A conversational Gen AI system intake for Disability and Leave Services (DLS)

@manuxer

July 2025

Meet John

An associate at Amazon in the US.
He is injured, which makes it difficult for him to lift or hold heavy objects. He wants to explore if he can modify his role and continue working during his recovery.

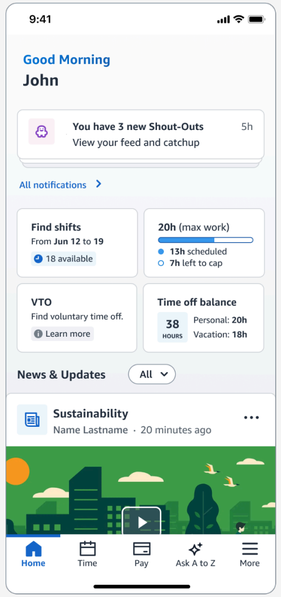

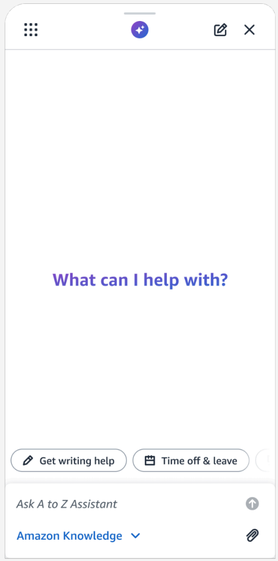

Smart LLM intake

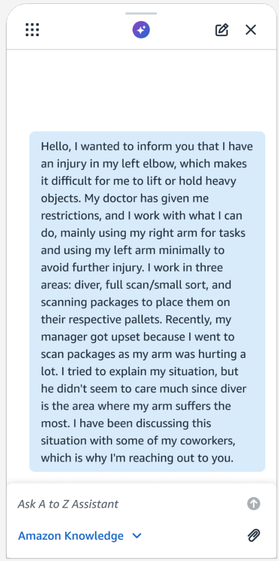

Gen AI

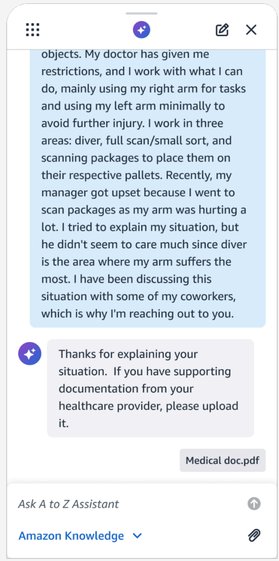

Accommodations
for USA

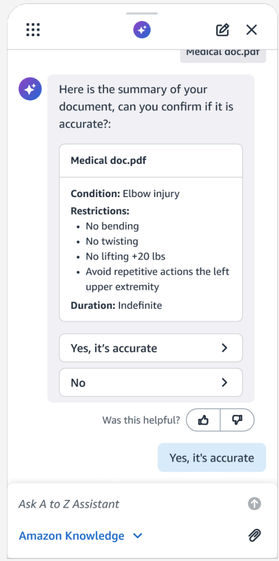

A to Z Assistant powered by Gen AI communicates with John to help create a request for his situation.

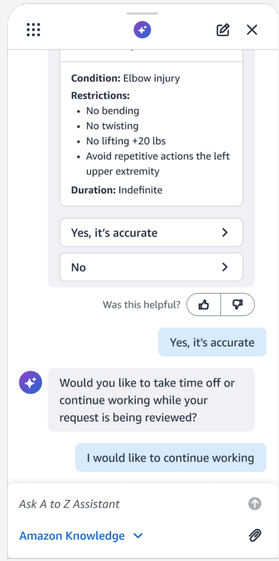

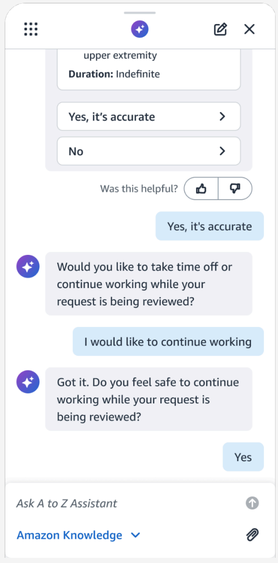

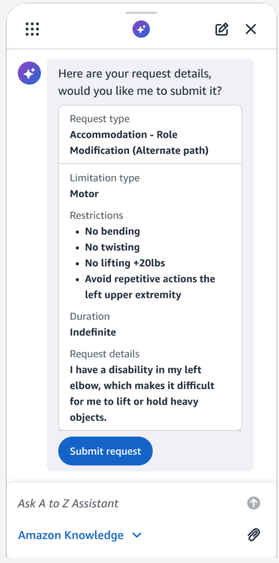

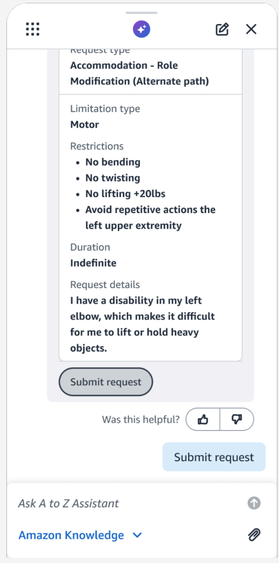

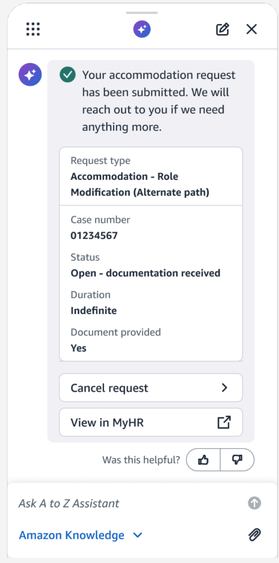

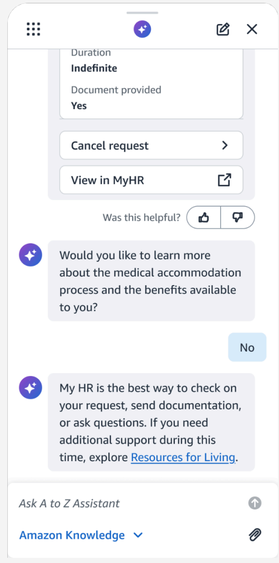

Meet Sam

An employee at Amazon in the US.
He has ADHD and also is taking care of his mother who was diagnosed with cancer. He is finding it difficult to work from office 5 days a week and wants to explore if he can work from home.

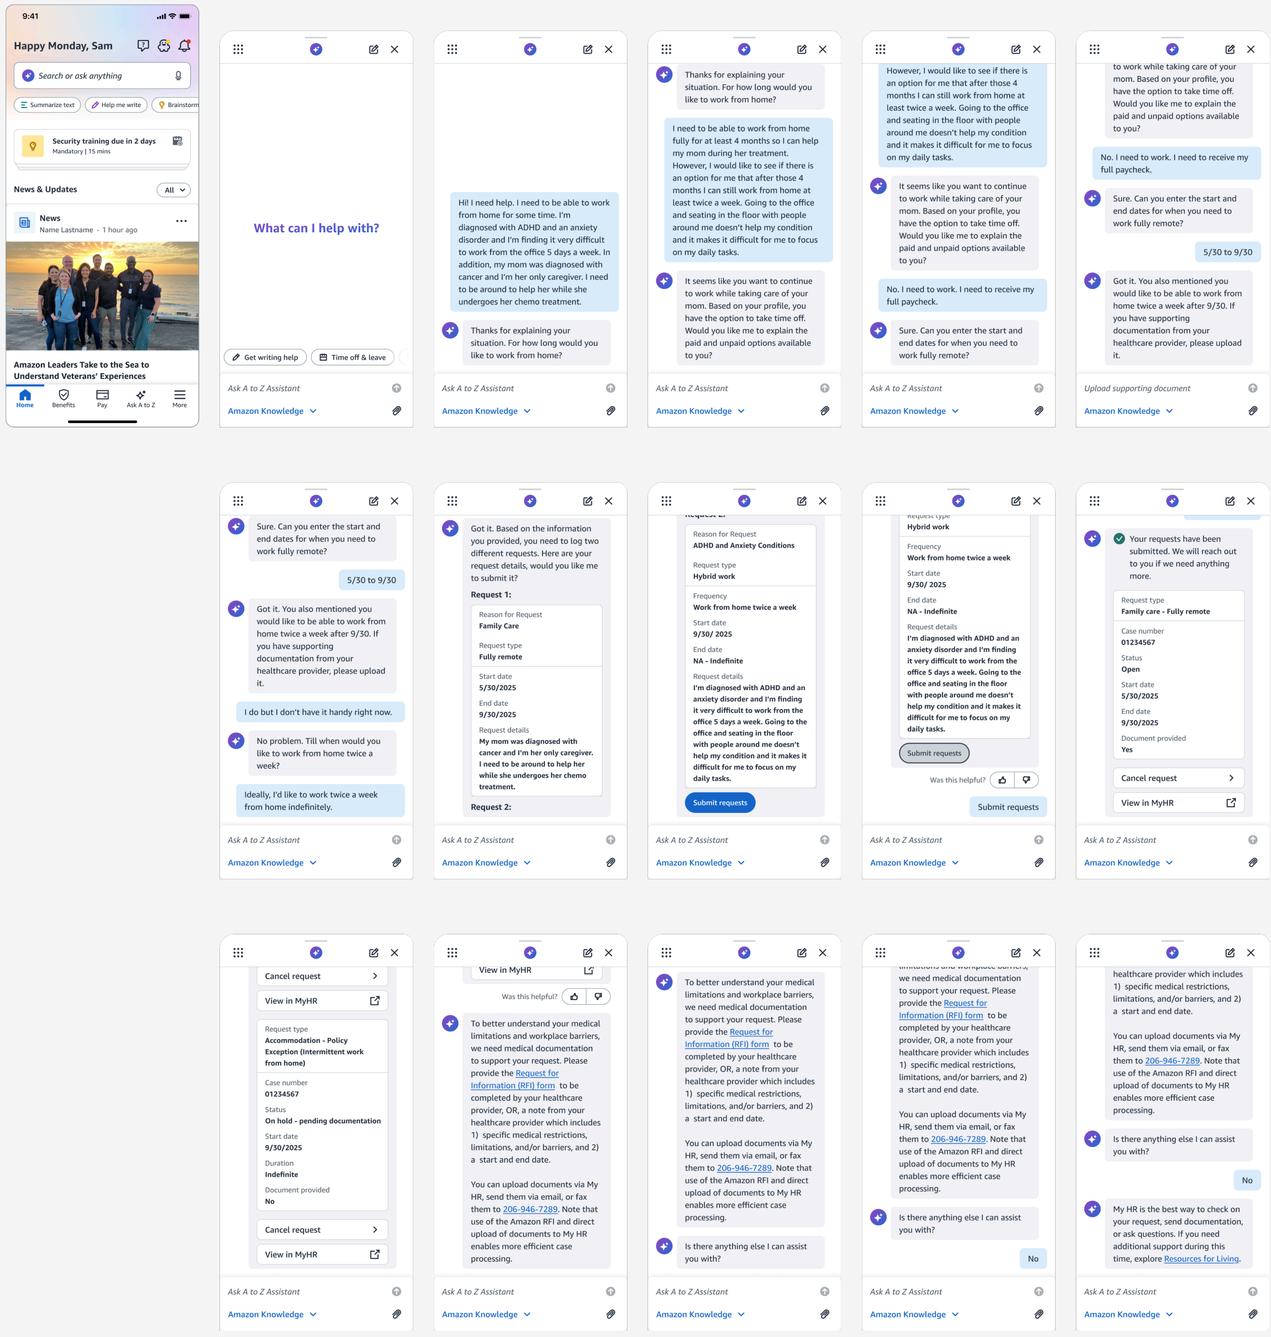

Smart LLM intake

Gen AI

Disability and Leave Services for USA

A to Z Assistant powered by Gen AI communicates with Sam to help create a request for his situation.

Meet Jane

An associate at Amazon in the US.
Her house was damaged due to a hurricane.
She would like to understand what leave options are available to her while working through this situation.

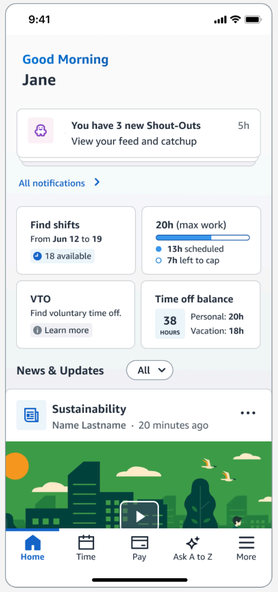

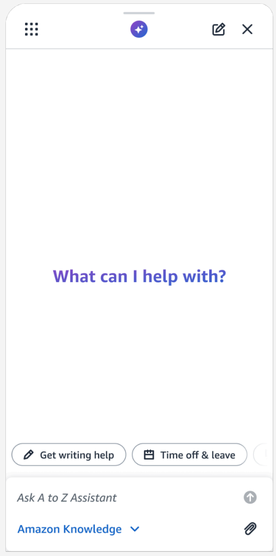

Smart LLM intake

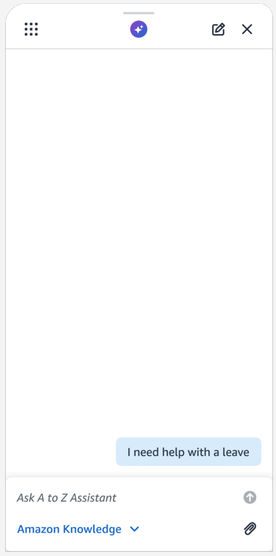

Gen AI

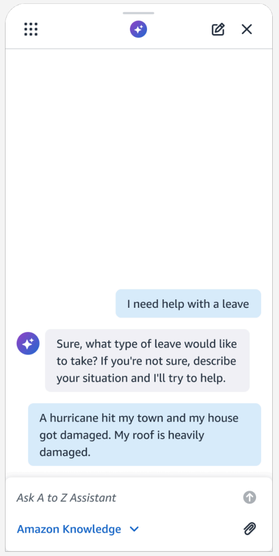

Personal Leave
